Introduction and Definitions

Introduction

Jr. Pioneers Hockey is committed to improving the skill development, safety and welfare of our athletes. The SafeSport Program is designed to provide guidelines and expectations for all players, coaches and organization members on:

1. abuse or misconduct prevention strategies
2. appropriate behavior
3. effective response to concerns

Unfortunately, youth sports can be a place where misconduct, including child physical and sexual abuse has the potential to occur. This Jr. Pioneers Hockey approved document will provide the guidelines for appropriate behavior in hopes that the risk of abuse will be minimized. These measures, while aimed at protecting youth, also serve to better protect adult coaches and volunteers. It is the responsibility of all players, coaches, parents and Jr. Pioneer’s officials to follow the policies and procedures in support of the SafeSport program.

Definitions

Child, Children, Player, Athlete, Minor and Youth
Anyone under the age of 18

Child Physical Abuse

Abuse or Child Abuse or Neglect means an act or omission that threatens the health or welfare of a child in one of the following categories:

- Skin bruising, bleeding, malnutrition, failure to thrive, burns, and fracture of any bone, subdural hematoma, soft tissue swelling, or death and:
  - The condition or death is not justifiably explained.
  - The history given concerning the condition is at variance with the degree or type of such condition or death.
  - The circumstances indicate that the condition may not be the result of an accidental occurrence.
- A controlled substance is manufactured in the presence of a child, on the premises where a child is found, or where a child resides.
- A child test positive at birth for either a schedule I or II controlled substance, unless the child test positive for a schedule II controlled substance as a result of the mother’s lawful intake of such substance as prescribed.

Child Sexual Abuse

Child sexual abuse involves any sexual activity with a child where consent is not or cannot be given. This includes sexual contact with a minor that is accomplished by deception, manipulation, force, or threat of force regardless of whether there is deception or the child understands the sexual nature of the activity. The sexually abusive acts may include sexual penetration, sexual touching, or non-contact sexual acts such as verbal acts, sexually suggestive written or electronic communications, exposure or voyeurism.
Emotional Abuse
The terms 'abuse' or 'child' abuse or 'child neglect' include any case in which a child is subjected to emotional abuse. 'Emotional abuse' means an identifiable and substantial impairment or a substantial risk of impairment of the child's intellectual or psychological functioning or development.

Misconduct
Conduct which results in harm, the potential for harm or the imminent threat of harm. Age is irrelevant to misconduct. There are six types of misconduct in sport: emotional, physical, sexual, bullying, harassment and hazing.

Peer to Peer Sexual Abuse/Misconduct
Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Peer-to-peer sexual abuse covers sexual activity between children without equality or as a result of coercion, physical force, threats, trickery or emotional manipulation to elicit cooperation. There can be an aggressor, age difference or an imbalance in power or intellectual capabilities.

Grooming Behaviors
Grooming is the process of desensitization that predators use on children to prepare and trick them into accepting sexual abuse. Grooming is a way for the perpetrator to gain trust and confidence and draws the victim into a secret sexual relationship. Grooming can include but is not limited to: targeting a victim, isolation, meeting the child's needs, giving a child special attention, buying gifts and having power and control over the child.

Code of Conduct

Jr. Pioneers Hockey is fully committed to safeguarding the welfare of all players and members of the organization. It recognizes the responsibility it has to promote safe practices to protect players from abuse and misconduct. Jr. Pioneers Hockey has adopted clear guidelines and protocols to minimize the opportunity for child sexual abuse and to help staff, volunteers and parents recognize inappropriate or undesirable behavior. Jr. Pioneers Hockey is committed to embrace differences and diversity and respect the rights of all players and members and will follow these guiding principles:

- The welfare of each player is the primary concern.
- The rights, dignity and worth of all players should always be respected.
- All players, whatever their age, culture, disability, ability, gender, language, racial origin, socio-economic status, religious belief, sexual identity or skill level have the right to protection from all forms of abuse or misconduct.
- Jr. Pioneers Hockey will work in partnership with parents, players, staff and volunteers to promote the welfare, health and development of our players.

Jr. Pioneers Hockey will:

- Promote and implement the USA Hockey and CAHA SafeSport Programs to safeguard the well-being of its players and to prevent abuse and misconduct from occurring.
- Recruit, train, support and supervise staff, members and volunteers to protect players from abuse and to reduce risk to them.
- Require staff, members and volunteers to adopt and abide by the USA Hockey, CAHA and Jr. Pioneers Hockey SafeSport Programs.
- Respond to any allegations, disclosure or concern of misconduct or abuse of a player as stated in CAHA SafeSport and USA Hockey SafeSport Programs.
- Regularly monitor and evaluate the implementation of the SafeSport Program and make any necessary changes.
- Have open and regular communication with parents or guardian(s) of a player regarding any concerns or issues.
Electronic Communication Guidelines

Jr. Pioneers Hockey understands that social media is a popular communication tool for players, parents and coaches. Jr. Pioneers Hockey is also aware that social media is a venue where inappropriate behavior and misconduct can occur. Possible risks associated with social media include: inappropriate access, sharing personal information, bullying, unwanted and unsupervised contact between adults and children, receiving unwanted material, online grooming for sexual abuse or actual unlawful sexual exploitation.

Failure to comply with CAHA SafeSport Program or USA Hockey SafeSport Program guidelines can result in disciplinary action. Jr. Pioneers Hockey has a zero tolerance rule when it comes to player safety and preventing abuse and misconduct.

Texting, Email and Similar Electronic Communications

If it is necessary for a coach or staff member to send a direct text message or email to a player, the following guidelines must be followed:

- A parent (or guardian) must be copied.
- It must be signed so it is clear as to whom or what organization is sending the message. Just using the number or email address for identification is not sufficient.
- It should be non-personal and for the purpose of communicating information about team activities.
- It should never include or contain offensive, sexual or inappropriate language or photos.
- Coaches are not to have private conversations or send private messages to players under the age of 18 on any social media site, network, or application without copying a parent, guardian, or assistant coach.

When a player feels the need to text or email a coach or staff member, the following guidelines must be followed:

- A parent (or guardian) or assistant coach must be copied.
  - If the child does not copy a parent/guardian a coach should reply and copy the parent or the assistant coach.
- It should be sent only with information regarding the organization or team or club activities.

Social Media (Facebook, Twitter, Blogs and Similar Sites)

- Players are never to post pictures of other club members or players that can be hurtful or embarrassing.
  - Appropriate disciplinary actions will be taken for inappropriate posts.
- Protecting the identity and privacy of all Jr. Pioneers Hockey’s players is required. Do not tag or post names or identifying information at any time.
- Players and parents can “friend” the official Jr. Pioneers Hockey page(s) and coaches can communicate to players through the site. The communication must be open, transparent and professional in nature and for the purpose of communicating information about the team or club activities.
- Social media sites should not be used to abuse or criticize the organization, members or players.
Locker Room Guidelines

Jr. Pioneers Hockey wants all players to be safe on and off the ice. Jr. Pioneers Hockey is also aware that the locker rooms provide a place where abuse and misconduct can occur. Players are particularly vulnerable in locker rooms due to various stages of dress and undress. Jr. Pioneers Hockey asks that players and coaches follow USA Hockey and CAHA SafeSport Program guidelines at all times. Jr. Pioneers Hockey requires all players and coaches to report to their Hockey Director any and all misconduct, abuse or violations immediately.

Player Behavior

- Shower and changing at the club event are optional.
- Use assigned locker room(s).
- Video recording devices including voice, still camera, video or phone cameras are prohibited.
- Locker rooms and showers should be used by same aged peers when possible.
- The showers are for showering only.
  - No horseplay, urinating on others, physical contact, sexual activity or other forms of misconduct is allowed.
- Nudity is kept to a minimum.
  - After showering players are asked to dress quickly.
- No bullying, hazing, harassment, fighting, locker boxing, etc.
- Players are not permitted to touch other player’s genital area or their own in a way that will make others uncomfortable.
- No pornographic materials are permitted in the locker room.
- No drugs, alcohol or other illegal substances are allowed.
- No physical contact between players in a sexual nature is allowed.
- The locker room is not a place to criticize or humiliate teammates.
- No displays of affection.

Mixed Gender Policies

At Magness and Joy Burns arenas, we do not have separate showering/locker rooms to accommodate both genders. We welcome feedback and dialogue with our parents and players and recommended the following:

- Use assigned locker room(s).
- We recommend players come dressed in a base layer for team events.
  - When this is not possible, players of mixed-gender teams are asked to change into base layer in the appropriate gender bathroom stalls of the locker room or restrooms.
- Open areas of locker rooms should be used for putting on equipment over base layers.
- No nudity is permitted amongst mixed genders.
- Showers should be used by same sex peers, no mixed gender allowed.
Showers in the arena locker room should be used by males only. If a female needs to shower, there is a family changing room with a shower on the south end of Magness Arena that can be used at any time.

There is also a women’s locker room located in the Coors Fitness, a few doors down from Locker A/B.

Coaches and Other Adult Member/Volunteer Behavior

It is the policy of USA Hockey that all USA Hockey Member Programs have at least one responsible screened adult present directly monitoring the locker room during all team events to assure that only participants (coaches and players), approved team personnel and family members are permitted in the locker room and to supervise the conduct in the locker room. We also ask that parents play an active role in the safety of their children by dropping off and picking up children at appropriate times.

- Use assigned locker room(s).
- The locker rooms will be monitored during all team events by at least one responsible adult (this may include but is not limited to a team parent, team manager, hockey director, management staff, head/assistant coach), whenever a player is present in the locker room.
  - No player should ever be in a locker room by themselves.
  - U8 players are never to be left alone in a locker room without adult supervision.
- It is to be understood that practice starts 10 minutes before the official ice schedule time. If a player is running late they will be asked to dress in a public restroom or the parent/guardian of the late child must be present in the locker room during the change.
- The adult monitoring the locker room will:
  - Clear locker room of non Jr. Pioneers Hockey affiliates prior to practice/event.
  - Monitor so that only approved team personnel and family members are allowed in the locker rooms.
  - Supervise conduct in locker rooms.
- If a coach needs to speak to an individual player in the locker room, the door should remain open or another coach or parent should be present.
- Coaches should have a separate place to change and shower. Coaches are never to be nude among players.
Hazing, Bullying and Sexual Harassment Guidelines

Jr. Pioneers Hockey feels strongly that hazing, bullying, sexual harassment, initiation rituals and physical punishments are not permitted within the organization. Any form of misconduct by the team, coach or an individual in attempt to bond or take action against another individual or group of individuals, which result in abuse, harassment, intimidation or any form of degradation is not allowed by any player, coach, volunteer or member of Jr. Pioneers Hockey.

Player and coaches are also required to follow the USA Hockey and CAHA SafeSport Hazing and Bullying Guidelines.

Physical Contact Guidelines

It is sometimes appropriate and necessary to have direct physical contact with players in order to develop their skills. These guidelines have been created to provide practical guidance for Jr. Pioneers Hockey coaches and those working directly with players to keep players safe and promote a safe environment for staff and members. Rules for physical contact must be set to reduce the potential for misconduct. Players, coaches, volunteers and organization members are required to follow these guidelines and to report immediately those who violate them.

Appropriate Physical Contact

- Physical contact takes place in public or in the presence of others
- Physical contact for the purpose of developing skill or technique
- Physical contact with no potential for physical or sexual intimacies during the contact
- The contact is for the benefit of the player, not to meet an emotional or other need of an adult

- Kissing
One on One Guideline

Some Jr. Pioneers Hockey coaches choose to offer private lesson as independent contractors. Jr. Pioneers Hockey expects all coaches to abide by appropriate player/coach conduct. Jr. Pioneers Hockey mandates that coaches put player safety first and always be aware of their own actions and behaviors and the possible consequences. All staff and volunteers should be encouraged to demonstrate exemplary behavior in order to promote player’s welfare and reduce the likelihood of abuse. Jr. Pioneers Hockey believes that private lessons can take place in a way the does not put the player or coach at risk.

- Always work in open environments visible to others.
- Try to provide lessons with other coaches at the same time.
- Have conversations on the ice or in public, never behind closed doors.
- Move meetings that may start in private to public areas.
- If there is a need to discuss sensitive issues related to the sport that you think has the potential to upset a player, have another coach or parent join the discussion.
- Private lessons are to be held at appropriate locations and times.

Report the following to your SafeSport Coordinator immediately.

- If a player becomes injured or you accidently hurt a player.
- If a player is sexually inappropriate with you or another player.
- If the player discloses abuse, misconduct or questionable behavior by another player, coach or other person.
- Any general overall concern for the player that was made aware during your time together.
UNIVERSITY OF DENVER YOUTH TRAVEL POLICY. The University of Denver has established policies to guide youth competitive travel, minimize one-on-one interactions, inform parents of associated risk and reduce the risk of abuse or misconduct. Adherence to these travel guidelines will increase athlete safety and help to ensure a positive experience for the athletes and their families.

- **Individual Travel** -- Individual travel occurs when University of Denver or one of its teams does not sponsor, coordinate, or arrange for travel. Including but not limited to training, practice and local games.
- **Athletes and/or their parents/guardians** are responsible for making all arrangements for individual travel. The team and its coaches, managers or administrators should avoid responsibility for arranging or coordinating individual travel. It is the responsibility of the parents/guardians to ensure the person transporting the minor athlete maintains the proper safety and legal requirements, including, but not limited to, a valid driver’s license, automobile liability insurance, a vehicle in safe working order, and compliance with applicable state laws.
- Parents assume all risk involved in the transportation of athletes during individual travel. Whether it be their own child or unrelated athletes traveling to competitions/games. Parents/guardians should be familiar with their car insurance policy and what it covers, including any liability of having passengers in their vehicle.
- Efforts should be made to ensure that the adult personnel are not alone with an unrelated athlete, by, e.g., picking up or dropping off the athletes in groups. In any case where an employee, coach and/or volunteer is involved in the athlete’s individual travel, a parental release should be obtained in advance.
- A parental release should be obtained in advance, if an employee or coach, who is also an athlete’s parent or guardian, provides transportation for other athletes.
  - The release should state: “I understand that by operating my personal vehicle, I assume all responsibility associated with my vehicle and will follow applicable laws associated with driving. I assume all responsibility anytime someone enters my vehicle. I will only operate a vehicle using my valid Driver’s License. I am familiar with my car insurance policy and what it covers, including any liability of having another driver operating my vehicle. I understand that I can opt out of driving at any time and my decision is confidential.”

UNIVERSITY OF DENVER TEAM TRAVEL POLICY. Team travel is travel that occurs when the University of Denver or one of its team’s sponsors, coordinates or arranges for travel so that teams can compete locally, regionally, nationally or internationally. Because of the greater distances, coaches, staff, volunteers and chaperones will often travel with the athletes.

- The University of Denver will provide reasonable advance notice before team travel. Travel notice will also include designated team hotels for overnight stays as well as a contact person within University of Denver or the team.
- The University of Denver will make efforts to provide adequate supervision through coaches and other adult chaperones. If a team is composed of both male and female athletes, all attempts will be made to arrange chaperones of both genders.
- Regardless of gender, a coach shall not share a hotel room or other sleeping arrangement with an athlete (unless the coach is the parent, guardian or sibling of the athlete).
- Athletes should only share rooms with other athletes of the same gender and athletes of similar age with the appropriate number of athletes assigned per room depending on accommodations.
- The coach will establish a curfew by when all athletes must be in their hotel rooms or in a supervised location. Regular monitoring and curfew checks will be made of each room by at least two properly screened adults.
• The team personnel shall ask hotels to block adult pay per view channels.
• Individual meetings between an athlete and coach may not occur in hotel sleeping rooms and must be held in public settings or with additional adults present.
• All athletes will be permitted to make regular check-in phone calls to parents. Team personnel shall allow for any unscheduled check-in phone calls initiated by either the athlete or parents.
• Family members who wish to stay in the team hotel are permitted and encouraged to do so.
• The team will make every effort to accommodate reasonable parental requests when a child is away from home without a parent. If any special arrangements are necessary for your child, please contact the team personnel who can either make or assist with making those arrangements.
• Meetings do not occur in hotel rooms, but the team may reserve a separate space for adults and athletes to socialize.
• If disciplinary action against an athlete is required while the athlete is traveling without his/her parents, then except where immediate action is necessary, parents will be notified before any action is taken or immediately after the action.
• No coach or chaperone shall at any time be under the influence of alcohol or drugs while performing their coaching and/or chaperoning duties.
• In all cases involving travel, parents have the right to transport their minor athlete and have the minor athlete stay in their hotel room.
• Prior to any travel, coaches will endeavor to make athletes and parents aware of all expectations and rules. Coaches will also support chaperones and/or participate in the monitoring of the athletes for adherence to curfew restrictions and other travel rules.

Billeting Guidelines

• Jr. Pioneers Hockey does not billet players to host tournament families or host players from travelling teams.
Responding and Reporting Abuse Concerns

Jr. Pioneers Hockey believes it is the responsibility of all members, staff, volunteers, parents and players to report concerns of abuse or misconduct.

It is NOT the organization’s responsibility to decide the credibility or validity of a report of concern, only the responsibility to report it.

The organization should not attempt to evaluate or investigate the report or be concerned with false reporting, but to respond appropriately and swiftly to avoid further distress to the victim. Everyone at Jr. Pioneers Hockey is required to report any and all concerns regarding sexual abuse, physical abuse, emotional abuse, bullying, hazing, coach misconduct, player misconduct and any other forms of inappropriate behavior immediately to the appropriate investigative agency and Hockey Director. USA Hockey and CAHA SafeSport Program guidelines are to be followed when reporting and responding to abuse.

Reporting Policy

It is the policy of USA Hockey and CAHA SafeSport Programs that every employee or volunteer of any USA Hockey sanctioned program must report:

1. **Suspicions or allegations of child physical or sexual abuse.** They are to be reported to the appropriate agency, either law enforcement authorities or social services agency.

2. **Actual or perceived violations of the USA Hockey and CAHA SafeSport Programs.** They are to be reported to USA Hockey, CAHA and Local SafeSport Coordinators.

3. **Any violations of CAHA policies prohibiting emotional abuse, sexual harassment, bullying, threats and hazing.** They are to be reported to the appropriate Member and CAHA SafeSport Coordinators.

Any report of misconduct or suspicions of child physical abuse or sexual abuse will be taken seriously and handled appropriately. All club members are to take concerns of abuse or misconduct to the Jr. Pioneers Hockey SafeSport Coordinator who will take appropriate action. The actions of the SafeSport Coordinator will be documented and shared with the Hockey Director and the Board of Directors. A staff member or volunteer may contact law enforcement themselves and then notify the Hockey Director immediately.

A report must be made when the reporter suspects or has reason to believe that a child has been abused or neglected, or when the reporter has knowledge of, or observes a child being subjected to, conditions that would reasonably result in harm to the child.

Concerns, suspicions or suspected “grooming” behaviors are to be told immediately to the Jr. Pioneers Hockey SafeSport Coordinator.

Responding to Concerns

There are a number of reasons a person might need to report a concern:

- In response to something a young person has said to you - a disclosure
- In response to signs or suspicions of abuse
- In response to allegations made against an organization member, staff or volunteer
• In response to allegations made about a parent or someone not working within the organization
• In response to bullying or hazing
• In response to violating USA Hockey and CAHA SafeSport Procedures
• Observation of inappropriate behavior
• In response to anything that makes the reporter uncomfortable based on inappropriate behavior by an adult or player

It should be clear, even if the incident occurred outside of Jr. Pioneers Hockey, it should still be reported to authorities. Know that authorities have professional in interviewing child victims about abuse and it is not Jr. Pioneers Hockey’s job, so do not attempt to interview any child about a disclosure.

Always:
• Stay calm
• Reassure the person reporting concerns, that they have done the right thing
• Don’t judge
• Listen carefully, take it seriously
• Write down exactly what the person reporting concerns says using his or her own words
• Ask open-ended questions only to clarify, who, what, where and when
• Let the person reporting concerns know you have to tell someone
• Report incident to appropriate authorities
• Let the person reporting concerns know what your next steps are and who you will be sharing the information with
• Fill out the appropriate forms

Never:
• Panic
• Show disbelief
• Project your own reactions onto the child
• Make promises you can’t keep or assure confidentiality
• Make the person reporting concerns repeat the information unnecessarily
• Delay in reporting to your supervisor and local authorities
• Make assumptions
• Approach the alleged abuser
• Take sole responsibility for the information you have
• Try to investigate the allegations
• Make negative comments about the alleged perpetrator
• Share personal information about you or your child
• Probe for more information

Record:
• Person reporting’s full name, age, date of birth, home address and telephone number
• Any time, date or relevant information
• Who the concern is regarding
- Using the reporter's words, give an account of what happened
- Document any visible injuries
- Document your next steps
- Document date of time of informing the Hockey Director
- Document date, time and who you spoke to at the law enforcement or social service agency

Confidentiality

To the extent permitted by law, and as appropriate, Jr. Pioneers Hockey will keep confidential the complainant’s name on request, not make public the names of potential victims, the accused perpetrator or people who made a report of physical and sexual abuse to the authorities.

Immediate Suspension or Termination

When an allegation of abuse or misconduct is made against a staff member, player or coach, that individual will be removed from interaction with players immediately and the organization will cooperate with the investigation and conduct its own internal investigation, if necessary.

No one is assumed guilty based upon a reported concern, but player safety is paramount, therefore suspensions are appropriate until the investigation(s) is complete.

Education and Awareness Training

Implementation of the Jr. Pioneers SafeSport Program will take all the coaches, parents, players and administration to work together in order to keep everyone aware of what to pay attention when interacting with the young athletes. After team selections, an “all coaches” meeting will be held to educate coaches on the SafeSport Program, answer questions about the Program, review the reporting process and provide coaches with instructions on SafeSport team meetings. The Jr. Pioneers SafeSport Coordinator will also be available to attend these meeting if coaches request it.
Hiring Guidelines

When hiring a new staff or volunteer person to work within the Jr. Pioneers Hockey organization, we will include child sexual abuse prevention screening into the general screening process. This process is for all adults and youth who are looking for employment or volunteer positions within the organization. Jr. Pioneers Hockey will not make exceptions for applicants familiar with the organization or who are past employees.

While no screening can identify every potential child abuser, you can reduce the risk by learning all you can about an applicant; most importantly their interest in working with youth. Jr. Pioneers Hockey believes that that SafeSport Program will deter coaches who may be at risk for abusing players from applying with the organization.

Jr. Pioneers Hockey will follow USA Hockey and CAHA SafeSport Screening Programs (all coaches and managers must register through USA Hockey and CAHA every season), conduct background checks and check new hires against the National Sex Offender Registry List. These individuals do not register with CAHA unless they are a coach or manager selected by the team.

Taking and Use of Photographic and Recorded Images of Players

Jr. Pioneers Hockey wants to promote fun hockey activities and information about the organization and/or its players through photographs, recorded images and videos whether on our website or through print. To do this in a way that ensures the safety of players and members, Jr. Pioneers Hockey has safeguards to protect inappropriate use of images or recorded images. (This includes the use of a camera, digital camera, video recorder, mobile phone or personal digital assistant device or other recording device.)

There are risks posed directly and indirectly through the use of photographs and recorded images. These images can be used as a means of identifying players thus leaving them vulnerable to people who wish to “groom” them for child abuse or possibly provide information to estranged parents. Also, the images themselves can be used, modified and shared among the offender population. To avoid misuse, Jr. Pioneers Hockey requires the following guidelines be adhered to.

- Ask for parental permission prior to use of a player’s image. Be clear with parents as to how the image will be used and stored (see parental consent form).
- Never publish personal data (email, phone, home address or other information) of a player without signed consent form.
- Only use images of players suitably dressed to reduce the risk of inappropriate use.
- When recording a player for teaching purposes or recruiting needs, care should be taken in storing such recordings and who they are shared with.
- Members should be vigilant and report any unknown individuals who are recording or photographing organization members.
- Members also need to report any concerns regarding inappropriate taking or publishing of photographs or recorded images.
- Report any violations.
